zf-work-pharma

On-Premise Workflows for Pharmaceutical Serialization: Independent, Integrated, Adaptable

Simple and complete serialization:

⊕ Multi-order productions
⊕ Re-work, EU-Checkout
⊕ Automatic and manual aggregation

Do one thing - do it well:

⊕ No Level 2 dependency
⊕ Real Track and Trace
⊕ For desktop and workstation
⊕ Integrates with your Level 4 system

Simple and flexible operation:

⊕ One virtual machine or container
⊕ One backup mount

Proven platform:

⊕ Installation and configuration in minutes
⊕ Upgrades in minutes
⊕ Extensible, customizable, integrated
